Visit the Cathedral of Our Lady Immaculate, where many of the Grimaldis are buried, including Grace Kelly and Rainier III. On one option, follow up with a tour of the Prince's Palace, built as an Italian fortress in A.D. 1191. Marvel at the lavish décor in the State Apartments, home to Monaco's royals. fountains — in this delightful city. Or choose to stay in Marseille. On a guided tour, see the Old Port with its picturesque marina, guarded by two historic forts. Visit the hilltop Notre-Dame de Garde and admire panoramic views of the city. Drive along the famous Corniche Kennedy, skirting the Mediterranean, past the Prado Beach and the Longchamp Palace. Wrap up at Le Panier, the historic hillside neighborhood.

Day 9 | June 1 **B-L-R-D**

Port Vendres

Choose one of two possible excursions today. Drive to Carcassonne, one of the best-preserved medieval cities in Europe. Visit La Porte Narbonnaise, the Castle of the Counts and the Basilica St. Nazaire. Climb the ramparts and spy the watchtowers (the fortress has 52!). There's even a moat, nowadays filled with a lovely garden. Enjoy lunch on your own at a charming cafe, and browse the galleries and shops. Alternatively, journey to the town of Collioure, the "Jewel of the Vermeille Coast," where many great painters found their inspiration. Trace the origins of the vibrant Fauvism movement with a guided walking tour through the old town and along the picturesque, palm-lined harbor. Cap off your visit with a tasting at a traditional anchovy workshop.

Tonight, bid adieu to your fellow passengers at a Farewell Reception and Dinner.

Barcelona, Spain | Disembark | Return to Home City

Following breakfast, disembark and transfer to the airport for your return flight home.

Legends of La Côte d'Azur

In 1887, French writer Stephen Liégeard attempted to define the allure of a strip of Mediterranean coast between Marseille and Italy — an emerging winter destination for Europe's wealthy and elite. His book was titled "La Côte d'Azur" and from that time forward, this "short but delicious" route along the Riviera coast of France and Italy would become known as such. English aristocracy began flocking to the area as early as the 18th century for luxurious holidays. The addition of a railway line in the mid- to late-19th century ensured access to a dazzling enclave of grand hotels and casinos that are now known collectively as the Rivieras. Today, these sparkling coastlines famously epitomize a glamorous age that captured the popular imagination in everything from F. Scott Fitzgerald's novel "Tender is the Night" to the 1955 film set in Monaco, "To Catch a Thief" (starring American actress Grace Kelly, who became princess of Monaco!).
