Day 1 | Depart Home City

Depart on an overnight flight for Nice, France.

Day 2 | Nice, France | Embark

Arrive at Nice Côte d'Azur Airport in Nice, France. Embark Atlas World Traveller, your home for the next week. Unpack and settle in to your suite or stateroom. Later, attend a Gohagan & Company welcome briefing and lifeboat drill, followed by dinner on board the ship as we depart Nice and sail for Sanary-sur-Mer.

Day 3 | Sanary-sur-Mer

Each morning, enjoy a delicious breakfast on board. This morning after breakfast, disembark for your first excursion.

Sanary-sur-Mer Walking Tour. Set off on foot for a guided tour of this picturesque coastal town, which began as a quintessential Provençal fishing village. The heart of Sanary-sur-Mer is still its working fishing harbor, celebrated for its pastel-hued waterfront buildings, palm trees and clear blue water. At the Quai Charles de Gaulle, the main waterfront promenade, notice among the boats in the harbor the traditional, brightly colored wooden fishing boats called pointus. Here you'll also see the Roman tower, a 13th-century, 70-foot-tall medieval tower offering panoramic views of the bay from the top. It now houses the Frédéric Dumas Diving Museum, honoring Dumas and Jacques Cousteau, who developed deep-sea diving equipment in the waters off Sanary. Stroll the winding cobblestone lanes of the Old Town, taking in the pastel-colored buildings and traditional window shutters. Pass by charming boutiques, local markets and café terraces. (Mild)

Return to the ship and tuck in to a delectable lunch.

This afternoon, disembark for your chosen excursion.

Traveler's Choice | Choose one of the following included excursions. (Please make your selection on the Traveler's Portal.)

Hilltop Villages in Bandol Wine Country. This afternoon we'll head to Le Castellet, a stunning, cliffside medieval village. Take in the well-preserved ramparts and gorgeous views from the town's rocky perch. Stroll the narrow stone lanes, lined with artisan shops and cascading flowers. The town is located in the Bandol wine region and is surrounded by terraced vineyards, famous for producing reds, whites and rosés. We'll stop at Maison des Vins de Bandol to taste wines from across the Bandol appellation. Next we'll visit Le Castellet's quieter sister village across the valley, La Cadière d'Azur for more panoramic views. (Mild)

Rosé Tasting & Pairing Workshop. Join a small group of fellow travelers and a local sommelier at a local venue for a tasting of the Bandol region's famed rosé wine, paired with light bites. Learn tips for bringing a bit of Bandol to your home for the next time you entertain, including how to pair different wines and food. (Mild)

Welcome Reception: Join your fellow passengers for a Welcome Reception on board tonight, and raise a glass to your upcoming Rivieras adventure! Afterward enjoy a delicious dinner as the ship sails for St. Tropez.

Day 4 | St. Tropez

A chic French Riviera destination, St. Tropez has drawn artists, filmmakers and the international elite for years. The town is the epitome of modern luxury, yet retains an old-world charm. Famed for its beautiful beaches, designer shops and vibrant nightlife, St. Tropez also boasts a charming old quarter.

St. Tropez Walking Tour. Begin your guided walking tour at the picturesque harbor, strolling between café terraces and the waterfront, host to rows of yachts. Continue into the Old Town, passing the Église Notre-Dame de l'Assomption with its iconic orange and ochre church bell tower. Amble along narrow streets lined with pastel-painted houses and stop at the Place des Lices, a public square filled with centuries-old plane trees. Climb to the Citadelle for panoramic views of the town and harbor. Along the way, pass boutiques selling local soaps, linens and ceramics.

Stop at a local café for coffee and a slice of iconic Tarte Tropézienne: a soft, orange-blossom-flavored brioche cake filled with a rich, creamy custard and topped with pearl sugar. Taste this delicious dessert, which was created in St. Tropez and made famous by Brigitte Bardot. (Moderate)

Return to the ship for lunch, or make your own plans for lunch in town.

Free Time: Spend this afternoon exploring St. Tropez on your own.

Dinner: Tonight, a delicious dinner will be served onboard, as usual. In addition, we are offering a special opportunity — an optional Shoreside Dinner. If you choose, you can sign up for this dining option and discover the true flavor of St. Tropez through local cuisine. You will dine with a small group in a carefully selected local restaurant, where you'll enjoy a lavish, five-star meal including beer, wine or local spirits.

Day 5 | Calvi, Corsica

Enjoy breakfast on board. Today you'll disembark for your chosen excursion. Some of the excursions take place in the morning, and some in the afternoon (see descriptions below). Depending on your excursion, you may have free time on board in the morning or the afternoon.

Traveler's Choice | Choose one of the following included excursions. (Please make your selection on the Traveler's Portal.)

Coastal Hike. Disembark the ship in late morning and travel by coach to the trailhead for a scenic six-mile hike out to the dramatic headland of Pointe de la Revellata and back. The loop trail takes you around the wild, rocky peninsula of La Revellata to its iconic lighthouse, offering panoramic views of the sea, rugged cliffs and the distant Calvi citadel. Pause at the midpoint to enjoy a packed lunch prepared by the ship before completing the loop back to the coach. The hike will take approximately 3 ½ hours. The terrain is rated moderate, with undulating paths, rocky stretches and coastal trails. Note: Walking poles and hiking boots are recommended for this excursion. Not suitable for anyone with mobility issues. (Active)

Balagne Hilltop Villages. After lunch on board the ship, disembark for this afternoon excursion. Take a minibus drive

through some of Balagne's most celebrated, picturesque villages, stopping at three (precise spots to be announced). At each stop there will be a guided, gentle walk through mostly flat village lanes. Pause at a local delicatessen to sample Corsican cured meats and olive oils. (Moderate)

Canistrelli Baking Experience. After lunch on board the ship, disembark for this afternoon excursion. By motorcoach, take a half-hour drive to the hillside town of Zilia. This small mountain village is home to the famed white-wine cookies known as Les Biscuits de Zilia, or Canistrelli. Although plain flavor is the most popular, almond, clementine and chestnut varieties are common. Alongside a local baker, learn to make this traditional Corsican treat. Indulge in a glass of wine while the cookies bake before admiring (and tasting) your handiwork. (Moderate)

Calvi Walking Tour. Disembark the ship in late morning and travel by tender to the Quai Landry, the main waterfront promenade of Calvi. A local guide will then lead you on a walk into Calvi's fortified Citadel, a 13th-century stronghold perched on a rocky promontory. From the ramparts, take in 360-degree panoramic views over the Bay of Calvi and the surrounding mountains. Pass the Saint-Jean-Baptiste Cathedral, built in the 13th century, and the stone ruins of a house where local tradition fiercely asserts that Christopher Columbus was born in 1451. Next, descend into the Lower Town, where the cafés, boutiques and lively waterfront show off the city's appealing maritime character. Return to the ship for lunch on board. (Moderate)

Dinner: Tonight, a delicious dinner will be served onboard, as usual. In addition, we are offering a special opportunity — an optional Shoreside Dinner. If you choose, you can sign up for this dining option and discover the true flavor of Calvi through local cuisine. You will dine with a small group in a carefully selected local restaurant, where you'll enjoy a lavish, five-star meal including beer, wine or local spirits.

Day 6 | Porto Venere, Italy

This morning after breakfast, disembark for your excursion.

Cinque Terre. Depart Porto Venere by private boat for an excursion to the UNESCO-inscribed Cinque Terre (Five Lands), a collection of five small, picturesque villages founded around the year 1000. Clinging to the cliffs over the Mediterranean Sea and connected by small footpaths, the five villages and their trademark colorful buildings are now part of the Cinque Terre National Park.

Visit the villages of Vernazza, Monterosso and Porto Venere and enjoy time at leisure visiting the small shops tucked along the winding, narrow streets. (Moderate)

Free Time: Spend this afternoon and evening at your leisure. You can return to the ship for lunch and enjoy time on board. Alternatively, you can stay in Porto Venere to lunch and explore on your own — you can even opt to have dinner in town (of course, dinner will be served on board as well).

Return to the ship for dinner on board as we sail to Livorno.

Day 7 | Livorno | Florence/Lucca/Livorno/Pisa

Enjoy breakfast on board. Today you'll disembark for your chosen excursion.

Choose between excursions in Florence, Lucca, Livorno and Pisa. Please check the Traveler's Portal to read details about each excursion and to make your selection.

Day 8 | Porto Cervo, Sardinia

Enjoy breakfast on board. Today you'll disembark for your chosen excursion. One excursion takes place in the morning, and one in the afternoon (see descriptions below). Both will include lunch. Depending on your excursion, you may have free time on board in the morning or the afternoon.

Traveler's Choice | Choose one of the following included excursions. (Please make your selection on the Traveler's Portal.)

Costa Smeralda Excursion. This morning, set out on an unforgettable journey through the breathtaking Costa Smeralda, where charming villages, stunning landscapes and hidden historical gems await. Your first stop is the Belvedere, a renowned viewpoint offering sweeping panoramic views of Sardinia's northeastern coastline — perfect for capturing the beauty of this pristine region. Continue to the picturesque village of San Pantaleo, nestled in the hills of Costa Smeralda. This enchanting village is known for its narrow cobblestone streets, vibrant local markets and warm, authentic atmosphere. Take time to stroll through its artisanal shops and soak in the essence of Sardinian culture. Return to Porto Cervo to visit the Stella Maris Church, an architectural gem perched on a hill overlooking the gulf. Designed in the 1960s by architect Michele Busiri Vici, the church features a unique modern design: a portico supported by six granite monoliths, a distinctive cone-shaped bell tower with a wide base, and an iron cross at its peak. Widely regarded as a masterpiece of modern architecture, the church offers both artistic inspiration and serene views. Return to the ship in time for lunch on board. (Moderate)

Gallura Winery Visit. Enjoy lunch on board before setting off. Then take a scenic 30-minute drive from Porto Cervo to a charming winery nestled in the heart of Sardinia's picturesque Gallura region. Enjoy a guided tour that offers a deep dive into the island's rich winemaking traditions. Feel the passion and care that go into every step of the process, as the owners lovingly share their craft in this idyllic setting. Walk through the very rooms where grapes are transformed — from ripening on the vine to fermentation in the cellar — and gain insight into the time-honored techniques used in Sardinian winemaking. The experience culminates in a guided tasting of three local wines, accompanied by authentic Sardinian delicacies — a true celebration of the region's flavors and hospitality. (Mild)

Farewell Reception: Bid adieu to your newfound friends at the Farewell Reception and Dinner this evening as we sail to Civitavecchia.

Day 9 | Civitavecchia | Rome | Disembark | Return to Home City

Following breakfast, disembark and transfer to Leonardo da Vinci–Fiumicino Airport in Rome for your return flight home.
