The viceroy-commissioned fountain in the Plaza de Armas originates from Lima's founding era; the 17th-century version still stands today.

COLONIAL LIMA PRE-PROGRAM OPTION

February 1 to 3, 2020

An enthralling city in the throes of a cultural renaissance, the coastal capital of Lima provides the ideal introduction to your Peruvian exploration. At the heart of the UNESCO World Heritage-designated *Centro de Lima*, a remarkable ensemble of colonial edifices flank the Plaza de Armas (or *Plaza Mayor*), the city's main square. Walk through the square and see the Baroque Cathedral of Lima, first inaugurated in 1538, which today showcases Churrigueresque altars and the tomb of the city's founder, Spanish conquistador Francisco Pizarro. Visit the 17th-century Convent and Church of San Francisco, known for its striking Mudéjar architectural details, vast catacombs—which contain hundreds of thousands of bones stacked in circular ossuaries—and a monastery library with a collection of approximately 25,000 ancient texts. Tour the opulent Casa de Aliaga, built in 1535 as the residence of Don Jerónimo de Aliaga, the co-founder of Lima. The oldest private residence in continuous use in South America, this viceroyalty-era mansion has been inhabited by the Aliaga family for 17 generations.

Enjoy two nights in the deluxe JW MARRIOTT LIMA HOTEL, ideally located in the upscale and cultural Miraflores district just steps from seaside galleries and world-class restaurants, granting the perfect opportunity to indulge in Perú's famed gastronomy during your leisure time.
