Day 5 | February 5 B-L-D

Soufrière, St. Lucia

Wake this morning to stunning tropical views of St. Lucia. Two famous, dramatically pointed mountains stand guard over the lush, idyllic island. Gros and Petit Piton are actually (extinct) volcanic cones and have been designated as UNESCO World Heritage Sites. Disembark for your choice excursion. Visit the world's only drive-in volcano, part of the same complex as the Pitons. The volcano is extinct, but mud still bubbles and sulfurous steam floats in the air in this otherworldly spot. Next, explore the lush gardens of the Morne

Coubaril Historical Park. Among other things, today you'll learn the traditional methods of de-husking coconuts and extracting fresh cane juice! Or choose to unwind on the golden sands of a Soufrière Bay beach, soaking in breathtaking views of the Caribbean Sea. The crystal-clear waters — filled with a kaleidoscope of vibrant marine life — are ideal for swimming or snorkeling. Return to the ship for lunch and spend the afternoon at leisure on board.

Day 6 | February 6 B-L-D

St. George, Grenada

Grenada is home to verdant rainforests, beautiful beaches,

aromatic spice plantations and cocoa farms. Today, hike the Morne Gazo trail, which climbs through serene rain forest. This steep trail leads to the summit of a conical hill with an elevation of 1,140 ft. where a lookout platform has been built. Get one of the best views in the Caribbean!

Or take a tasting tour of Grenada. Visit Laura Herb and Spice Garden, a botanical garden focused on medicinal herbs and spices. Tour the grounds with a private guide and learn about the fascinating trees, herbs and spices grown here, including coconut, nutmeg, mace, allspice, cinnamon, vanilla, turmeric and cloves.

Today, explore Gotomeer, a saltwater lagoon near the island's northern end, known for its flamingo population. Bring along your binoculars and cameras as you search for the shy, leggy birds. Or snorkel at Klein Bonaire, a small, uninhabited islet with beautiful beaches, clear water and a profusion of colorful

marine life. Join your fellow travelers for a Captain's Farewell Reception and Dinner on board the ship this evening and raise a glass to your luxurious week in paradise!

Catching the Wind

Experience a cruise like no other while sailing aboard *Sea Cloud Spirit*, an authentic three-masted windjammer. The ship, built in 2021 to combine traditional sailing with modern amenities, boasts 28 sails and 18 deckhands to hoist them.

In 1931, Wall Street broker Edward Francis Hutton gave *Sea Cloud* to his wife, heiress and businesswoman Marjorie Merriweather Post. The opulent four-master was the world's largest private yacht. After a fabled life (including a stint in World War III!), *Sea Cloud* has been restored and again sails the seas, along with siblings *Sea Cloud II* and *Sea Cloud Spirit*.

Your captain and crew are committed to using the wind to sail whenever possible, which makes for an unparalleled passenger experience. Watch as the deckhands climb the rigging (some 190 feet above the sea!), loosen the heavy sails and haul lines in from the deck. As the sails catch the wind, you'll feel your spirits — and the *Spirit* itself — lift and soar.
