It's a land of scenes epic in scope, from the immense Grand Canyon and the winding Colorado to the sandstone spires of Bryce and the red-rock cliffs and chasms of Zion. It's the Southwest, which our small group celebrates at favorite national parks and preserves. And, wrote author Wallace Stegner, it's America's "best idea."

Zion NP's 232 square miles boast a diversity of landscapes, including high plateaus, deep sandstone canyons, and the Virgin River.

Day 1: Depart for Phoenix, Arizona We depart today for Phoenix, Arizona. As guests' arrival times may vary, we have the day at leisure to explore Arizona's capital city as we wish. This afternoon we check in at our hotel, where we enjoy a welcome briefing and dinner together. *D*

Day 2: Phoenix This morning we visit the acclaimed Desert Botanical Garden, the 140-acre tribute to the flora of the Sonoran desert. With more than 4,000 species of plants, including almost 500 rare and endangered types, the Botanical Garden features nature paths and walking trails showcasing the beauty of the desert environment. We continue on to Old Town Scottsdale, the city's historic core where we have free time to browse the shops and galleries, and have lunch on our own. Then we return to our hotel where the remainder of the day is at leisure to enjoy the outdoor pool and other amenities. Dinner tonight is on our own. *B*

Day 3: Phoenix/Sedona/Williams We leave Phoenix today, bound for Williams, a short distance from the Grand Canyon. First, though, we're headed to Sedona, one of the most striking spots in the American Southwest. Famed for its range of towering red sandstone formations, Sedona ranks as a popular destination for artists, filmmakers, photographers, hikers, and moun-

tain bikers. We have time for lunch on our own and to do some exploring before we encounter this dazzling landscape in style, as we take a Pink Jeep tour for an educational off-road excursion. Winding over dirt roads, we enjoy stunning panoramic views and learn about the region's cultural and geological history on this guided tour to Honanki Heritage Site, a 700-year-old Sinaguan cliff dwelling. Then we continue north to our hotel, a few blocks from Route 66 and where we dine together tonight. *B,D*

Day 4: Williams/Grand Canyon It's a day to remember as we visit one of the country's most famous natural landmarks: the Grand Canyon. A wonder of the natural world, this UNESCO World Heritage Site stretches nearly 300 miles through and 10 miles across the Arizona desert. We see awe-inspiring vistas: banded layers of rock rise to plateaus and bluffs thousands of feet overhead, while the mighty Colorado River rushes one mile below. On our guided tour, we learn about the canyon's geological history, and also about human history here: it dates back some 10,000 years and includes Native peoples, explorers, miners, entrepreneurs, conservationists, and of course, visitors – who today number some six million annually. Then we have time for lunch on our own and an afternoon and evening at leisure to appreciate the magnitude and beauty of the six-million-year-old

canyon as we wish. After this bucket-list day, dinner tonight is on our own. *B*

Day 5: Grand Canyon/Page/Antelope Canyon/Lake Powell Today we travel to Page, Arizona, gateway to the imposing Glen Canyon Dam and its reservoir, Lake Powell. After reaching Page early this afternoon, we have lunch on our own then visit the sinuous – and spectacular – Upper Antelope Canyon. We travel onto Navajo land to reach this slot canyon, known to local tribes as “the place where water runs through rocks” – and one of the most photographed slot canyons in the world. Our tour through this stunning passageway reveals red-orange walls of “flowing” rock rising to heights of nearly 120 feet – the narrow canyon’s hard edges smoothed away by eons of water and sand erosion. We check in at our lakeside hotel this afternoon then enjoy dinner together there tonight. *B,D*

The Colorado and the Grand Canyon

Day 6: Page/Colorado River/Bryce Canyon National Park, Utah Our long, but incredibly scenic, day of travel begins with a rousing motorized rafting excursion on the smooth waters of the Colorado River. Controlled by a series of dams and reservoirs, the river provides hydroelectric power, irrigation, and municipal water supply to nearly 40 million people in the western U.S. Our adventure begins at the base of one of these structures: the 710-foot-high Glen Canyon Dam. The dam holds back man-made Lake Powell, the nation’s second largest artificial lake at 186 miles long and with nearly 2,000 miles of shoreline. As we drift downstream between soaring sandstone cliffs on either side, we’re on the lookout for ancient Native American petroglyphs on the canyon walls, as well as local wildlife. We continue on to southern Utah and Bryce Canyon National Park, stopping for lunch along the way. We dine together tonight. *B,L,D*

WE HAVE AN UNKNOWN DISTANCE
YET TO RUN ...”

– JOHN WESLEY POWELL

Day 7: Bryce Canyon National Park Despite its name, Bryce isn’t truly a canyon at all, but a series of natural cliffs and amphitheatres carved into the region’s plateaus. The result: a stunning array of hoodoos, natural stone pillars and spires reminiscent of a child’s drip sand castle, as we see today. Thousands of these delicate structures stand side by side along the canyon’s ridgelines, lending a dramatic atmosphere to this remote location. In the park’s visitor center, we see a film about the unusual geology here then have the day free to explore at our own pace. Our full day of natural splendor concludes with dinner together tonight. *B,D*

Day 8: Bryce Canyon National Park/Zion National Park We depart this morning for Zion National Park, another celebrated Utah destination. Upon arrival mid-day, we have lunch on our own then begin our visit at Zion’s nearby visitor center, where we learn about this inimitable region, which encompasses four separate biomes: desert, riparian (or riverbank), woodland, and coniferous forest. Zion itself is so named for the 15-mile-long, 2,500-foot-deep Zion Canyon cutting through the park’s western half. We get our first taste of Zion’s wonders this afternoon then have the evening free for dinner on our own. *B*

Day 9: Zion National Park We spend the day amid the wondrous natural world of Zion National Park. Despite its modest size, Zion counts as one of the most diverse national parks in the United States. Deserts and forests, rivers and canyons, buttes and natural arches all greet us here, along with numerous plant and animal species. As with most of the Southwest, the area is dominated by red-rock bluffs that show eons of sediment buildup; indeed, the rock formations here represent about 150 million years of geological history. We take a hike and have ample free time for exploration with lunch on our own. This evening we enjoy dinner together. *B,D*

Day 10: Zion National Park/St. George/Las Vegas, Nevada En route to Las Vegas today, we stop in St. George, Utah, site of the winter home of Mormon leader Brigham Young and where the Mojave Desert,

Your final tour documents, including airline itineraries (with e-ticket numbers), will be available in the portal two to three weeks before departure.

Single Travelers

We welcome single travelers, and offer a limited number of single accommodations on each tour. Because hotel and cruise rates are priced by the room or cabin, the per person cost for accommodations occupied by one person is higher than that shared by two people. We will not charge a fee for any changes made to your reservation outside of 95 days before departure. you will be charged the single supplement. **No changes to your reservation can be made within 30 days of departure.**

In the event an airline ticket is issued with incorrect information you have provided, or if you use a different passport than originally cited, you will be responsible for charges associated with the ticket's reissue.

Travel Documents

A passport valid for at least six months after the completion of your tour is required for U.S. citizens on all of our international tours. For all domestic tours, where we fly into a U.S. city to begin the tour or out of a U.S. city at the end, you must present a valid U.S. government-issued photo identification. Starting on May 7, 2025, your government-issued photo ID must be REAL ID-compliant (or you can present an alternate form of ID, such as a passport). Visit www.dhs.gov/real-id or contact your local DMV for more information. If your tour requires a visa(s), we strongly recommend that you have at least six blank visa pages available; for tours not requiring a visa(s), we recommend that your passport have at least three blank visa pages. We will send you specific visa and entry requirements after you make a reservation. You are responsible for obtaining these documents. If you need to obtain a visa, we recommend our preferred provider G3 Global Services. If you are traveling with a minor, please contact us for special entry requirements. If you are not a U.S. citizen, please contact your embassy or consulate to ensure you obtain the proper documentation.

Health and Medical Issues

We welcome all travelers, but request that you be in good health to participate in an Odysseys

Unlimited, Inc. tour. All of our tours involve a reasonable amount of walking (typically two to three miles per day), often uphill or on uneven or cobblestone streets. **You must be able to get on and off motorcoaches and boats on your own.** We regret that we cannot provide individual assistance; in such cases you must be accompanied by a companion who will assist you. Please note that many of our itineraries, for reasons beyond our control, do not accommodate wheelchairs. Please call or e-mail us to inquire, and we will do our best to answer any questions you may have. We reserve the right to remove anyone whose physical condition or behavior, in our opinion, compromises the operation of the tour or detracts from the enjoyment or safety of the other tour members. In that event, the National Trust for Historic Preservation and Odysseys Unlimited, Inc. assume no financial responsibility for any unused portion of the tour. While we do our best to accommodate food allergy concerns, we cannot guarantee zero cross-contamination.

Air Transportation

Odysseys Unlimited, Inc. includes in its tour price round-trip economy air from designated gateway cities as shown and contracts with those airlines the company feels provide the level of service, routings, and value necessary for your entire trip. While another airline may offer a more direct connection, it may be at a price unavailable at the lower group rates. You will receive your preliminary air schedule approximately 2½ months prior to departure. **Please note that seat assignment on your international flight is usually done at airport check-in. Odysseys Unlimited, Inc. is unable to guarantee any seat assignments.** Due to the nature of tour operator tickets, other restrictions apply, including, but not limited to, frequent flyer mileage accrual, stopovers, alternate travel dates, upgrades, and airline taxes and fees. If you prefer to make your own travel arrangements, booking the tour “Land Only” is available on most tours. Since international and domestic air schedules are subject to change at any time, we recommend that you do not purchase non-refundable tickets or those with high penalties for changes. If you choose to make your own air arrangements, Odysseys Unlimited, Inc. shall not have any liability for any loss resulting from cancellation of this tour or changes in this tour.

Responsibility

The liability of the National Trust for Historic Preservation, as sponsor, and Odysseys Unlimited, Inc., as tour operator, is strictly limited. Odysseys Unlimited, Inc. purchases transportation, hotel accommodations, and restaurant and other services from independent suppliers not under our control. We serve only as agents for these suppliers in securing tour arrangements, and therefore will not accept responsibility for wrongful, negligent, or arbitrary acts or omissions of these independent contractors, or of their employees, agents, servants, or representatives. Odysseys Unlimited, Inc. is not liable for injury, damage, loss, accident, or delay that may be caused by events not within our control, including, without limitation, acts of terrorism, war, strikes, the defect of any vehicle, or the negligence or default of any third party. All coupons, receipts, and tickets issued are subject to the terms and conditions specified by the air carriers, cruise lines, and other independent suppliers.

We will make every effort to operate our tours as planned, but we reserve the right to make itinerary or staff changes as necessary. If unforeseen circumstances require us to change a hotel, we will select alternative accommodations of the same or better quality.

Travel Insurance

National Trust Tours strongly recommends the purchase of trip cancellation insurance, which is available for coverage of expenses in conjunction with cancellation due to covered illness or accident. In the event that you must cancel your participation in a travel program, trip cancellation insurance may be the only source of reimbursement. USI Travel Insurance Services offers a plan designed specifically for National Trust Tours travelers, providing coverage for Trip Cancellation, Trip Interruption, Travel Delay, Baggage Delay, Baggage Loss, Emergency Medical and more. Plus, you can upgrade your plan with Cancel For Any Reason (CFAR) coverage for the utmost flexibility.
