To enjoy these programs as intended, a minimum level of fitness is required and Orbridge will require all guests to follow local, state, national and/or World Health Organization health and safety mandates. Accordingly, you must be in good physical and mental condition to participate. You represent that you have no physical, mental or other condition, impairment or disability that may or will cause or create a risk of injury or other hazard to yourself or others in respect to any aspect of the program you have selected. Orbridge may, in its sole discretion, limit, restrict or prohibit from participation in any aspect of any program any individual that it considers in its sole discretion to be impaired or unsuitable due to its fitness level. In addition, Orbridge may, in its sole discretion and at the participant's sole expense, remove the guest from the program, or restrict the program-related activities of any individual whose physical or mental condition may or is likely to cause a hazard to himself/herself or others, or otherwise impair the enjoyment of other program participants. Any physical condition requiring special attention, diet, or treatment must be reported in writing to Orbridge at the time a program reservation is made. Should you have any questions or need any clarification about a specific program, please ask for details at the time of registration. Orbridge will try to accommodate your situation if possible.

Accessibility. Orbridge cannot guarantee that the transportation, lodging, and entertainment/sightseeing accommodations will be accessible to all persons regardless of their physical and mental condition. In addition, many of the activities involved in each program include walking or the like for some distance on uneven ground or pavement or moving water as well as the ability to walk up and down stairs without assistance. Should any individuals seeking to participate in a travel opportunity need special accommodations to

ensure their enjoyment of the trip, kindly provide notice at the time the reservation is submitted, and we will see if your participation is feasible. Please understand that the Americans with Disabilities Act is inapplicable outside the United States.

At the time of reservation, Orbridge needs to be notified to determine if the special needs of an individual traveler can be met through special arrangements. It is possible that minor modifications to the services can be provided, but only if Orbridge is made specifically aware of anticipated needs. This notification should be made in writing no less than two weeks prior to the planned travel. Neither Orbridge nor any of the providers of transportation, lodging, or other services can provide special accommodations without this advance notice.

Where an individual with certain specific needs will be traveling with a group, it is necessary for other members of that person's group to be available to assist as necessary. Neither employees of Orbridge nor any suppliers of services can allow any of their employees to provide physical assistance to any guests.

Travel Advisories. The State Department and the Centers for Disease Control periodically issue statements and advisories about risks to travelers. Orbridge highly recommends everyone to review these sites.
