National Trust Tours

Dear National Trust Traveler:

The Danube River has ranked among the world's most impressive waterways—following the passage of Roman legions, crusading knights, the indomitable Janissaries of the Ottomans, and the proud Hussars of the Habsburgs. A channel for commerce, culture, and conquest, the Danube links the heartland of Central Europe with nations beyond the Black Sea. Join us for an extraordinary journey along nearly the entire length of this fabled river, from the Habsburgs' imperial capital of Vienna, a UNESCO World Heritage Site, to the captivating Black Sea.

This outstanding travel program features seven countries and the enchanting eastern Danube River Valley, an untouched region steeped in natural beauty. Cruise for nine nights aboard the exclusively chartered, deluxe AMADEUS STAR and spend two nights in Romania's elegant capital of Bucharest, where splendid architecture has earned it the nickname "Little Paris."

A rich mosaic of medieval cities, charming villages, rugged countrysides, and centuries-old traditions awaits you. Visit the ancient land of Bulgaria, the relatively young territories of Serbia and eastern Croatia, Hungary's fabled Puszta (plains), and the UNESCO World Heritage-designated castles, palaces, and squares of Budapest. Cruise through the dramatic Iron Gates dividing the Carpathian and Balkan mountains—where no fewer than six languages are spoken—and experience the fascinating Slavic heritage of medieval Belgrade.

Deepen your knowledge of the Danube and Central Europe with our Imperial Vienna Pre-Program Option and the Castles of Transylvania Post-Program Option, including "Dracula's Castle." Reserve now while early booking savings are still available.

Sincerely,

Meg Annacone-Poretz
Director, National Trust Tours

Study Leader

Richard Wagner, ALA, is founding director of the Master of Arts in Historic Preservation program at Goucher College and a principal with the architectural firm of David H. Gleason Associates, Inc. where he specializes in historic preservation and rehabilitation projects and creating design guidelines for historic areas. Find us on

The safety and well-being of our travelers remains our highest priority. Cruise lines and some other providers of services (as well as, potentially, some countries) require all passengers traveling on our programs to present confirmation of a full COVID-19 vaccination, and, as well, passengers may have to produce evidence of a recent negative COVID test. All our staff are committed to adhering to all health and safety protocols from the start of your trip to the end as directed by the United States Centers for Disease Control and Prevention, overseas health officials as well as those protocols mandated by your cruise company (if applicable) and other suppliers of services. Detailed protocol information tailored to your travel program will be mailed to you along with additional pre-departure information.

PROGRAM HIGHLIGHTS

The Route of Emperors and Kings

The legendary Danube River is a powerful symbol of the diverse cultures and epic narratives of Central Europe. Fifth-century B.C. philosopher Herodotus declared it “the greatest of all rivers which we know” when Greeks traveled from the Black Sea through the naturally carved Iron Gates. The land was ruled by the Roman, Ottoman, and Byzantine Empires, creating intriguing capital cities along its banks. The history and culture of this fascinating region continue to inspire musicians, writers, artists, and travelers from all over the world.
