Day 3: Nairobi

Friday, June 19, 2026 (B,L,D)

Following breakfast and a welcome briefing by your Orbridge Expedition Leader depart for Sheldrick Wildlife Trust.

Founded in 1977 by Dr. Dame Daphne Sheldrick in honor of the memory of her late naturalist husband, David Leslie William Sheldrick, Sheldrick Wildlife Trust is considered the most successful orphaned elephant and rhino rescue and rehabilitation program in the world. It's also one of the pioneering conservation organizations for wildlife and habitat protection in East Africa. To date, the center has successfully hand-raised more than 150 infant elephants and has accomplished its long-term conservation priority by effectively reintegrating orphans back into the wild herds of Tsavo. Witness the incredible work of dedicated caretakers who provide around-the-clock care and support to amazing animals.

Next visit the home of the Rothschild Giraffe at the African Fund for Endangered Wildlife Giraffe Centre. Founded in 1979, this non-profit organization's mission is to educate Kenyan youth about their country's wildlife and environment. The facility also offers visitors an opportunity to see giraffes in close proximity, including the Rothschild Giraffe—named after a British zoologist and considered one of the tallest in the species.

Take a short drive to the foot of the Ngong Hills to see Karen Blixen's farm house. This iconic property was once the home of the renowned Danish author, Karen Blixen, best known for her autobiographical novel *Out of Africa*, which depicted her life on the farm. Built in 1912, the interior of the house has been preserved to reflect the period when Ms. Blixen lived there. Antique furniture, personal belongings and original photographs contribute to the estate's authenticity.

Orbridge disclaims all liability for any expenses or costs you may incur due to your prohibition or restriction from entering a country on the program itinerary or reentering the United States at the conclusion of the program.
