

# STAR SEEKER

## 180° from Ordinary

WindStar guests can connect to the wonder, authenticity and majesty of a world discovered by small yacht. Slip past the crowds to experience smaller ports and get to know the local culture on more intimate excursions. WindStar's all-suite motor yachts and personalized approach bring you closer to each destination and every port, so you can see the world from new perspectives. No wonder WindStar was voted the World's Best midsize-ship ocean cruise line by the readers of *Travel + Leisure* in 2022.

## Sustainability Initiatives

WindStar makes softening their carbon footprint a big priority. Many ships have installed advanced wastewater treatment systems and new engines, which will reduce emissions. These important changes aren't where sustainability initiatives end for WindStar. Onboard, chefs source food locally when possible and instead of large buffets, meals are prepared to order, which reduces waste. Another big trend is to reduce single-use plastics. Refillable Natura water bottles are placed in the cabins and refilling water stations are located throughout ships. Plastic straws and stir sticks are also not dispensed on board unless they are specially requested.

Sailboat

## World-Class Dining Experience

We've upped the onboard dining game with our culinary program, featuring an array of fresh, seasonal ingredients sourced from ports along the journey. The menu is crafted to highlight the spectacular flavors of the regional cuisine. Every meal is just what you'd expect on your private yacht—perfect.

## Currency

Guests will register an American Express, MasterCard or Visa credit card upon embarkation. They may sign for purchases on board and settle their account with the credit card prior to disembarkation.

## Smoking Policy

**Star Seeker** has a nonsmoking policy. Smoking is permitted on the outside decks in designated areas only.

## Medical Services

Shipboard medical services and facilities, including a doctor and medications, are available for a nominal charge. A first aid kit is available and officers are trained in basic first aid. Severe medical problems will require evacuation at the participant's expense.
