Salzburg's historic city center

Ode to Mozart

At the age of five, Wolfgang Amadeus Mozart had already started composing music, and by the time he was six, had played for the imperial family at Schönbrunn Palace in Vienna. As we visit some of the most historic Christmas markets in Europe, our unique itinerary will simultaneously trace Mozart's life story. See the magnificent Vienna State Opera House—which opened in 1869 with Mozart's "Don Juan" to an audience that included Emperor Franz Joseph and Empress Elisabeth—and visit the Hall of Mirrors at Schönbrunn where the boy prodigy famously charmed Maria Theresa. Our tour of the Baroque Austrian capital also includes the iconic St. Stephen's Cathedral, or Stephansdom, where Mozart married Constanze Weber in 1782. Another itinerary high note is a visit to the UNESCO-inscribed city of Salzburg, where Mozart was born in 1756 and lived with his family on the third floor of the Hagenauer House at Getreidegasse No. 9. Reflect on the master's incredible legacy as you stroll past his childhood home and on to the majestic Dom Cathedral, the site of his baptism. Mozart died in Vienna in 1791, the same year he composed "The Sleigh Ride," a joyous piece that evokes a beautiful winter scene with sleigh bells and trumpets—sights and sounds you will experience for yourself on this spectacular holiday travel program.

YULETIDE TRADITIONS

The concept of an open-air fair in December dates to 13th century Vienna, when Duke Albrecht I granted permission for a market that would allow townspeople to gather supplies for the winter ahead. While historians say there is no evidence that this medieval market had any connection to religion, the popularity of the *wintermärkte* spread through German-speaking regions during the Middle Ages. By the 16th and 17th centuries, as festive Christmas celebrations became popular in Austria and Germany, the winter market evolved into the more elaborate spectacle now known as the *Christkindlmärkte*—which translates to “Christ child market.” The market stalls began filling up with delectable treats and hand-crafted Christmas nutcrackers, wood carvings, and other ornaments. Nuremberg’s lavish *Christkindlesmarkt*, which you will visit on our tour, has been operating since at least 1628. In addition to Old World Christmas decorations, the market is renowned for preserving the city’s famous *rostbratwurst* and the 17th-century *lebkuchen* gingerbread. Today, these centuries-old traditions continue through Europe with sparkling lights, boughs of fresh pine, roasted chestnuts, mugs of *glühwein*, and the sound of Christmas carols filling the air.
