Should any individuals seeking to participate in a travel opportunity need special accommodations to ensure their enjoyment of the trip, kindly provide notice at the time the reservation is submitted, and we will see if your participation is feasible. Please understand that the Americans with Disabilities Act is inapplicable outside the United States.

Because this is a group travel tour with shared transportation, accommodations, and excursions, there may be limitations that affect our ability to safely and comfortably accommodate a service animal on a particular itinerary. We will review the details with guests on a case-by-case basis to determine whether a tour is able to accommodate a service animal. We do not permit pets on tour.

At the time of reservation, Orbridge needs to be notified to determine if the special needs of an individual traveler can be met through special arrangements. It is possible that minor modifications to the services can be provided, but only if Orbridge is made specifically aware of anticipated needs. This notification should be made in writing no less than two weeks prior to the planned travel. Neither Orbridge nor any of the providers of transportation, lodging, or other services can provide special accommodations without this advance notice.

Where an individual with certain specific needs will be traveling with a group, it is necessary for other members of that person's group to be available to assist as necessary. Neither employees of Orbridge nor any suppliers of services can allow any of their employees to provide physical assistance to any guests.

Travel Advisories. The State Department and the Centers for Disease Control periodically issue statements and advisories about risks to travelers. These statements are country specific and contain important information. The State Department information can be found at www.travel.state.gov, and the CDC statements can be found at www.cdc.gov. Orbridge highly recommends everyone to review these sites.

Children. Orbridge welcomes the participation of children in most of its tours. However, in the event you do include your children or other minors for whom you serve as legal guardian ("Dependents") in your travel plans, you hereby agree that you are and shall be at all times solely responsible for their care, actions, safety and protection during the tour and any pre-tour and/or post-tour. Should you have any questions whether a particular tour or inclusion is possible or suitable for your Dependent(s), please contact us.

Adults who are not the parent or legal guardian of a minor traveling with them must present an original, notarized letter signed by the child's parent(s) or legal guardians authorizing the adult to take the child on the specific cruise, supervise the child, and allow emergency medical treatment to be administered, if needed. This is necessary even when the adult traveling is part of the child's extended family (including but not limited to aunts, uncles, and grandparents). To make it easy for you, we have a sample letter you can use. The letter can be downloaded [here](#).

Registered Guests. For the comfort and safety of all travelers, participation in any and all portions of an Orbridge program, including transportation, accommodations, excursions, and meals, is limited exclusively to registered guests, unless expressly authorized in writing by Orbridge prior to departure.

Pets/Animals. Orbridge does not permit pets on tour. Please see "Accessibility" regarding service animals.

Baggage. Tour rates include the price of one piece of policy-compliant baggage per person during the land, cruise or rail portion of the tour only unless specified in the itinerary. Air carriers and motor coaches often impose significant other restrictions or limitations on the number of pieces, size and weight of luggage and may reject or impose additional fees on luggage exceeding such limitations or restrictions. All such fees are your sole cost and responsibility. In addition and regardless of location or transportation method, your baggage and personal effects are and shall at all times be at your sole risk throughout the entire tour. Please check with your air carrier for other applicable baggage restrictions and limitations.

Travel Documents. All guests are responsible for possessing and maintaining necessary travel documents. These documents shall be valid under state and federal law and as required by foreign countries being visited. Orbridge is not responsible for invalid travel documents and repercussions thereof.

For U.S. citizens, valid passports are required for travel to foreign destinations and some countries require specific visas prior to entry. Please direct any questions in respect to visa requirements to Orbridge, which shall use commercially reasonable efforts to provide answers as a courtesy, provided that it shall remain your sole responsibility and obligation to obtain and verify that you have all required travel documents, including visas, necessary and appropriate for the tour location(s) and sufficient blank pages in your passport for visas and immigration stamps. In addition, some countries require your passport to have an expiry date of not less than six months after your anticipated return to the United States. Orbridge disclaims all liability for any expenses or costs you may incur due to your prohibition or restriction from entering a country on the tour itinerary or reentering the United States at the conclusion of the tour. If travel documents fail to meet these requirements, boarding of aircraft or ship to any international destination may be denied and entry into such countries may be denied.

Your baggage and personal effects are your sole responsibility at all times. It is prohibited by federal law and Orbridge policy to bring illegal drugs, firearms, or other contraband (including marijuana for medical or recreational purposes) on any tour.

Individual Supplier Contracts. Individual contracts/terms from Orbridge's contracted suppliers govern the relationship between that supplier and the Orbridge guest.
