

STAR BREEZE

180° from Ordinary

WindStar guests can connect to the wonder, authenticity and majesty of a world discovered by small yacht. With access to small ports, you'll visit popular must-sees as well as the best-kept secrets of each port with your new friends—the locals—to show you around.

Leave the crowds and clichés behind on small, elegant ships that carry less than 350 pampered, privileged guests. Explore the world on Star Breeze and enjoy the freedom of uncrowded decks and unregimented days on a lovely ship that is unlike any other.

The Wind and the Stars Know the Way

You can slip past the crowds to discover smaller ports and get to know the local culture on more intimate excursions. WindStar's all-suite motor yachts and personalized approach bring you closer to each destination and every port, so you can see the world from new perspectives. No wonder WindStar was voted the World's Best midsize-ship ocean cruise line by the readers of *Travel + Leisure* in 2022.

Jump in for Fun

A cruise to Tahiti isn't just about the land. It's about the sea. That warm, turquoise water is more than willing to answer your question about what to do today, and the phenomenal Watersports Platform on the stern of Star Breeze is more than willing to provide the means—no beach required. It's just one more way our yachts get you closer to your destination.
