MS PORTO MIRANTE

Viva Cruises

Viva is a cruise company dedicated to high quality with a personal approach. The 10 ships in the Viva fleet of modern river cruise liners excel in technology, design and quality. Their uniqueness lies in attention to detail—in design, construction and service. Viva is known for their devotion not only to guests and crew but also to the environment. Responsible route planning that saves nautical miles; use of fuels that reduce emissions and promote CO2 neutrality; and ship interiors made largely from recycled materials are a few of the steps they've taken toward sustainability.

About MS Porto Mirante

The newest member of the Viva family is the **MS Porto Mirante**, which debuts in 2024.
