SPRINGTIME CIRCUMNAVIGATION
OF THE EMERALD ISLE
ABOARD THE 72-STATEROOM *EXPLORIS ONE*

MAY 20–30, 2026

Giant's Causeway

DEAR ALUMNI, PARENTS, AND FRIENDS,

Join us for a 10-day spring voyage around the Emerald Isle, perfectly timed to showcase Ireland and Northern Ireland in full bloom aboard the privately chartered, deluxe Exploris One. Spring offers the ideal conditions for exploring lush gardens, rolling countryside, and dramatic coastlines, when flowers are at their peak, daylight stretches into the evening, and popular sites are uncrowded.

Begin with a pre-cruise hotel night in Dublin, offering a relaxed arrival and tailored excursions. From there, travel to Belfast to embark on an eight-night cruise tracing remote and storied stretches of the “Wild Atlantic Way.” Along the route, visit UNESCO-listed landmarks, scenic islands, and welcoming towns before concluding your journey back in Dublin.

Highlights include the Giant’s Causeway, Titanic Quarter, Mount Stewart House and Gardens, Derry’s 17th-century walls, County Donegal, Connemara National Park, the Cliffs of Moher, the Aran Islands, and Kinsale. Throughout the program, enjoy thoughtfully curated excursions focused on history, gardens, architecture, and archaeology. Expert-led lectures and evenings in ports such as Galway and Belfast provide opportunities to experience traditional music, explore independently, or enjoy a local meal.

Optional pre- and post-trip extensions in Dublin and Kilkenny are also available. With limited space and an exceptional itinerary, early reservation is highly recommended.

With kind regards,

Meg Annacone-Poretz

WHAT TO EXPECT:
This is a moderately strenuous program that can be physically demanding and full of activity at times. Participants should be in good health, physically fit, and able to keep pace with the group without assistance from tour staff. To make the most of each destination, many shore excursions will be active and involve extended time off the ship. These full, adventure-filled days are balanced with opportunities to relax on board while cruising—enjoying coastal scenery, onboard amenities, and enriching lectures. On land, travel will be by comfortable, air-conditioned motorcoaches, with the longest drives lasting about 1.5 hours. Daily excursions may involve up to two miles of walking (sometimes more on optional hikes), often over uneven

ground, grassy areas, unpaved trails, or cobblestoned streets. Some historic sites may lack elevators or handrails on stairs. While *Exploris One* is equipped with an elevator serving all passenger decks, it is not designed for wheelchair-dependent guests and does not offer accessible cabins or chair lifts. Guests should feel confident navigating the ship in choppy seas. This journey promises not only unforgettable sights, but also meaningful cultural encounters and time to unwind. As with any travel experience, flexibility, curiosity, and a spirit of adventure will go a long way. While participation in each activity is optional (aside from essential group transfers), we hope you'll take full advantage of this thoughtfully designed program. Please note that all travelers will be asked to follow safety and health guidelines set by Criterion Travel, the ship's crew, local staff and host country laws.

GROUP SIZE
This program is limited to 118 participants, including travelers from National Trust Tours, Harvard Alumni Travels, American Horticultural Society, and Williams Alumni Travel Study.
