Day 2: Arrive in Athens, Greece | Lavrio – Embarkation

Saturday, June 13, 2026 (R,D)

Upon arriving at Athens International Airport an Orbridge representative will be waiting to assist with your transfer to the private yacht in Lavrio.

Stepping on board *Le Ponant*, you'll notice a welcoming atmosphere of tranquility. The gentle lapping of waves against the hull and the rhythmic dance of the sails create a serene ambiance that will accompany you throughout the journey. Disconnect from the hustle of daily life and fully immerse yourself in the beauty of your surroundings as embarkation begins. Take time to unpack and familiarize yourself with your stateroom and the yacht's public spaces.

Whenever conditions allow, the captain will shut down the engines and navigate under wind power. As the crew gradually unfurls the neatly wound sails, the canvas catches the breeze like wings awakening for flight. The remarkable sense of synergy between the vessel and the powerful natural elements is a feeling like no other.

This evening gather with fellow travel companions for a special welcome reception to celebrate the exciting adventure yet to unfold.

Overnight: Le Ponant

Day 3: Tinos

Sunday, June 14, 2026 (B,L,D)

Our first port of call, Tinos, beckons with spiritual allure. Famed for the miraculous shrine of the Holy Church of Panagia, this island is a haven for those seeking an intimate refuge amidst unspoiled landscapes.

Disembark and choose one of two included excursions.

Set off on a guided hike along a rocky trail, passing by the ruins of a Venetian fortress and stopping at the quaint village of Volax to admire the traditional art of basket weaving before arriving at Agapi—one of the island's oldest villages—for a delicious lunch.

Alternatively, join a village tour by motor coach, first visiting Volax and the basket weavers followed by a museum tour at Pyrgos to gain insight into the island's tradition of marble art. Stroll the narrow streets lined with artisan shops, each offering a piece of revered marble craftsmanship, and embrace the island's sacred ambiance, from its beautiful churches to the uninterrupted views of the Aegean Sea.

Return to the yacht with time to refresh before dinner. By now, you'll have noticed fine dining on board is not only a priority but an experience for the senses. The restaurant, Le Diamant, is designed towards the exterior to provide exceptional panoramic views from indoors, plus the outdoor terrace offers 34 seated places for an alternative dining atmosphere. For each meal, experienced chefs prepare the ultimate in gastronomic cuisine using high quality organic and local ingredients.

Overnight: Le Ponant

Day 4: Polyaiagos

Monday, June 15, 2026 (B,L,D)

Le Ponant gracefully glides south towards Polyaiagos, the uninhabited gem of the Cyclades, for a full day of water activities and blissful leisure time.

Take advantage of opportunities to swim, snorkel and paddleboard in crystal-clear waters around the yacht. Or join a group to fish just off the bow.

Set off on a Zodiac tour to discover the pristine paradise of Polyaiagos with no permanent residents—other than the native flora and fauna. Swim and snorkel around the secluded beaches, reveling in the exclusive experiences in this private maritime sanctuary.

This evening gather for another convivial dining experience in the restaurant.

Overnight: Le Ponant

Day 5: Serifos

Tuesday, June 16, 2026 (B,L,D)

The enchanting island of Serifos unfolds like a dream, with its postcard-perfect landscapes of whitewashed buildings and cobalt-blue accents set against hills of dry vegetation. Visit the Monastery of Taxiarches, which served as a place of worship and spiritual retreat for centuries since being founded around the 1600s. Dedicated to the island's patron saints—the Archangels Michael and Gabriel—the interior of the monastery is adorned with intricate frescoes and ornate icons that illustrate tales of faith and devotion.

Continue to the well-preserved remains of a white marble tower dating back to the 4th century BC. Most likely used as a watchtower or guard post, the expansive views from the top are magnificent.

Next visit Mega Livadi, one of the main loading sites for the island's mining industry, to learn about Serifos' mining history which concluded in 1963. Stroll along the beach and nearby bridge where traces of minerals can still be discovered. Stop

for lunch at a local taverna before returning to the yacht.

Back on board, enjoy a relaxing dip in the saltwater swimming pool or schedule a wellness treatment in the spa (*additional fees apply*).

Overnight: Le Ponant

Day 6: Monemvasia (Peloponnese)

Wednesday, June 17, 2026 (B,L,D)

Our next destination is the uniquely preserved medieval village of Monemvasia of the southern Peloponnese, a living testament to Byzantine and Venetian influence. Split into lower town and upper town, its stone mansions, idyllic streets and Byzantine churches are some of the many reasons why this island is referred to as the "Gibraltar of the East."

Carved entirely on the backside of a massive rock, Monemvasia was strategically positioned so locals could avoid enemy attacks. The town's singular entrance point served as a defensive design, providing protection against invasions and ensuring the safety of its inhabitants during medieval times.

Board a motor coach, entering town via the sole city gate to explore the lower town during a guided walking tour. Traverse cobbled streets, discover notable gems around the square of Elkomenos and ascend to the upper town for endless panoramic views.

Later take a short drive by motor coach to an olive oil estate in Liotrivi. The property was once owned by the Greek poet Yiannis Ritsos and served as his annual summer retreat. Join a guide to tour the olive press museum and wine cellar followed by a tasting featuring locally made olive oil, wine, oregano and feta.

The remainder of the afternoon, embrace leisure time on the yacht. Refresh on the sun deck with a cold beverage or mingle with fellow travel companions in the Bar Emeraude.

Overnight: Le Ponant

Day 7: Kythnos

Thursday, June 18, 2026 (B,L,D)

After breakfast on board, disembark in Kythnos, an arid and rocky island covered in thick evergreen underbrush. The island's nutrient-dense soil provides an ideal environment for olive groves, and fig and almond trees. Bask in the tranquility of Loutra, known for its thermal springs, or explore the charming main town of Chora. Be tempted to nap beneath an umbrella on the beach, or swim, paddleboard or kayak before returning to the yacht in the early evening.

Overnight: Le Ponant

Day 8: Spetses

Friday, June 19, 2026 (B,L,R,D)

Arriving early morning in Spetses, step onto an island of aristocratic elegance and maritime history, where horse-drawn carriages and bicycles replace motorized vehicles. Beautiful boutiques, cosmopolitan restaurants and neoclassical mansions are surrounded by fragrant pine forests with inviting walking trails.

Climb aboard a carriage for a relaxing journey to the historic mansion-turned-museum of Laskarina Bouboulina, a heroine of the Greek War of Independence. Born to a family of wealthy shipowners and traders, Laskarina proved herself a shrewd businesswoman and skilled sailor before the age of 20. When the war erupted in 1821, she used her wealth to finance the construction of ships and personally commanded her own fleet in battle against the Ottoman forces. Laskarina's most notable contribution came when she successfully led the blockade of the fortress of Monemvasia during a siege, a strategic victory that earned her widespread acclaim and admiration.

The museum offers a glimpse into Laskarina's extraordinary life and achievements, showcasing a collection of personal belongings, artifacts and memorabilia belonging to her and her family. Explore the various rooms where Bouboulina lived and worked, and peruse exhibits of weapons, documents and historical artifacts related to her military campaigns.

Return to town for refreshments at a café followed by free time to stroll the promenade and pier.

Bicycles and e-bikes will also be available all day for independent exploration of Spetses.

Your final evening on board, join together for a lively farewell reception and spectacular gala dinner. Reflect upon the enriching experiences of the past week and the indelible memories forged during this romantic odyssey discovering the

Greek Isles.

Health and Fitness to Travel. Through your participation in your tour, you assume responsibility for your own health, safety, and welfare and acknowledge that Orbridge cannot absolutely guarantee your safety or health. Your physician can provide guidance on your personal health risk and precautions to take while traveling. Some programs include physically active elements. To enjoy these programs as intended, a minimum level of fitness is required and Orbridge will require all guests to follow local, state, national and/or World Health Organization health and safety mandates. Accordingly, you must be in good physical and mental condition to participate. You represent that you have no physical, mental or other condition, impairment or disability that may or will cause or create a risk of injury or other hazard to yourself or others in respect to any aspect of the program you have selected. Orbridge may, in its sole discretion, limit, restrict or prohibit from participation in any aspect of any program any individual that it considers in its sole discretion to be impaired or unsuitable due to fitness level. In addition, Orbridge may, in its sole discretion and at the participant's sole expense, remove the guest from the program, or restrict the program-related activities of any individual whose physical or mental condition may or is likely to cause a hazard to himself/herself or others, or otherwise impair the enjoyment of other program participants. Any physical condition requiring special attention, diet, or treatment must be reported in writing to Orbridge at the time a program reservation is made. Should you have any questions or need any clarification about a specific program, please ask for details at the time of registration. Orbridge will try to accommodate your situation if possible.

Accessibility. Orbridge cannot guarantee that the transportation, lodging, and entertainment/sightseeing accommodations will be accessible to all persons regardless of their physical and mental condition. In addition, many of the activities involved in each program include walking or the like for some distance on uneven ground or pavement or moving water as well as the ability to walk up and down stairs without assistance. Should any individuals seeking to participate in a travel opportunity need special accommodations to ensure their enjoyment of the trip, kindly provide notice at the time the reservation is submitted, and we will see if your participation is feasible. Please understand that the Americans with Disabilities Act is inapplicable outside the United States.

At the time of reservation, Orbridge needs to be notified to determine if the special needs of an individual traveler can be met through special arrangements. It is possible that minor modifications to the services can be provided, but only if Orbridge is made specifically aware of anticipated needs. This notification should be made in writing no less than two weeks prior to the planned travel. Neither Orbridge nor any of the providers of transportation, lodging, or other services can provide special accommodations without this advance notice.

Where an individual with certain specific needs will be traveling with a group, it is necessary for other members of that person's group to be available to assist as necessary. Neither employees of Orbridge nor any suppliers of services can allow any of their employees to provide physical assistance to any guests.

Travel Advisories. The State Department and the Centers for Disease Control periodically issue statements and advisories about risks to travelers. These statements are country specific and contain important information. The State Department information can be found at www.travel.state.gov, and the CDC statements can be found at www.cdc.gov. Orbridge highly recommends everyone to review these sites.

Children. Orbridge welcomes the participation of children in most of its programs. However, in the event you do include your children or other minors for whom you serve as legal guardian ("Dependents") in your travel plans, you hereby agree that you are and shall be at all times solely responsible for their care, actions, safety and protection during the program and any pre-tour and/or post-tour. Should you have any questions whether a particular program or inclusion is possible or suitable for your Dependent(s), please contact us.

Baggage. Program rates include the price of one piece of policy-compliant baggage per person during the land, cruise or rail portion of the program only unless specified in the itinerary. Air carriers and motor coaches often impose significant other restrictions or limitations on the number of pieces, size and weight of luggage and may reject or impose additional fees on luggage exceeding such limitations or restrictions. All such fees are your sole cost and responsibility. In addition and regardless of location or transportation method, your baggage and personal effects are and shall at all times be at your sole risk throughout the entire program. Please check with your air carrier for other applicable baggage restrictions and limitations.

Travel Documents. All guests are responsible for possessing and maintaining necessary travel documents. These documents shall be valid under state and federal law and as required by foreign countries being visited. Orbridge is not responsible for invalid travel documents and repercussions thereof.

For U.S. citizens, valid passports are required for travel to foreign destinations and some countries require specific visas prior to entry. Please direct any questions in respect to visa requirements to Orbridge, which shall use commercially reasonable efforts to provide answers as a courtesy, provided that it shall remain your sole responsibility and obligation to obtain and verify that you have all required travel documents, including visas, necessary and appropriate for the program location(s) and sufficient blank pages in your passport for visas and immigration stamps. In addition, some countries require your passport to have an expiry date of not less than six months after your anticipated return to the United States. Orbridge disclaims all liability for any expenses or costs you may incur due to your prohibition or restriction from entering a country on the program itinerary or reentering the United States at the conclusion of the program.
