A World of Discovery

AHI Connects | Italian Coffee & Café Culture. At one of the city's oldest cafés, delve into the social rituals behind Italy's passion for coffee. Learn how favorites are prepared, then savor your own choice!

Florence Walk. Get acquainted with the glorious Cradle of the Renaissance with your guide. Admire the Cathedral of Santa Maria del Fiore and take in the intricate façade, the distinctive dome designed by Brunelleschi and the striking bell tower by Giotto. View the bronze doors of the octagonal Baptistery that Michelangelo called the Gates of Paradise. Traverse the Arno River by way of the charming Ponte Vecchio, and linger in the Piazza della Signoria, the city's political heart since the 14th century. The stately Palazzo Vecchio, the Fountain of Neptune and graceful statues within an open-air loggia add to the historic beauty of this scenic square.

San Gimignano & Chianti. Travel to San Gimignano, a Tuscan hill town that boasts 14 medieval tower-houses and wonderfully preserved squares, palaces and fountains. After a guided walk there, head into the picturesque Chianti region. In Castellina, a local chef will demonstrate how to cook like Tuscans do, then you get to enjoy the tasty results for lunch! Next, visit the Castello di Monsanto winery built in 1750, and sample wines made from Sangiovese and Canaiolo grapes, among others.

Accademia Visit. With a private guide, tour this internationally renowned museum that houses Michelangelo's incomparable statue of David, paintings and sculptures by legendary artists and an exquisite collection of rare, antique musical instruments including pieces crafted by Antonio Stradivari and Bartolomeo Cristofori.

Uffizi Gallery. Follow the evolution of Italian art from the 13th century through the 16th century in the Uffizi's grand halls, which contain some of the world's most acclaimed masterpieces.

Colle di Val d'Elsa & Siena. Set in the Elsa River valley, the lovely town of Colle di Val d'Elsa is renowned for its centuries-old, crystal-making tradition. Visit a crystal factory for a demonstration before taking a guided walk in the old town. After lunch there, journey to splendid Siena, remarkably unchanged since the Middle Ages and filled with Gothic gems like its stunning Cathedral of Santa Maria Assunta, which you will visit. Step into one of Europe's finest piazzas, the Piazza del Campo, and learn about its importance to the city. During your guided walk, pause by the Fonte Gaia to see its pretty, bas-relief sculptures. *(Active)*
