Highlights

- Venture into the heart of Yellowstone National Park to scout for wildlife aboard custom-outfitted safari vans. These heated vehicles feature oversized windows and a rooftop hatch for premium viewing from every seat.
- Prepare for incredible photography opportunities. Yellowstone is a prime location for spotting majestic wolves from a respectable distance.
- Behold one of North America's largest elk herds at the National Elk Refuge where you'll enjoy a sleigh ride through their winter sanctuary.
- Keep binoculars close at hand as you explore this Serengeti of North America, home to the largest concentration of mammals in the lower 48 states. Resident bison, elk, pronghorn, bighorn sheep, moose, and other wildlife live among seven large predator species.
- Witness awe-inspiring geothermal features including the travertine terraces at Mammoth Hot Springs, iconic Old Faithful at Yellowstone's Upper Geyser Basin, and mud pots and fumaroles at Grand Teton National Park.
- Gain a deep understanding of the wolves' revival story as well as the vast flora and fauna that exist in this complex ecosystem from knowledgeable naturalists and who will accompany you throughout this journey.
