

Isabela II

With a capacity of only 40 guests, the 183-foot *Isabela II* was designed to provide the ultimate in comfort and adventure while cruising the Galapagos Islands. Her 21 staterooms provide spacious, fully air-conditioned accommodations with en suite facilities.

Savor healthy, fresh and delicious international and Ecuadorian cuisine at every meal. Enjoy her three public decks, dining room, lounge, library, hot tub and fitness area. Relish the services of an enthusiastic crew who are committed to your comfort.

Sailing by small ship allows for flexibility in the itinerary to maximize wildlife viewing, as well as access to exclusive ports. While on board learn about the area's history, biology and conservation efforts from the ship's multilingual naturalists. Experience all the Galapagos Islands have to offer through a variety of perspectives—hiking, snorkeling, kayaking or riding rigid inflatable and glass-bottom boats.

Significantly renovated during a recent dry dock, *Isabela II's* sun deck features a sparkling new hot tub and a redesigned outdoor serving area. The dining room's inviting atmosphere includes updated cabinets and freshly upholstered chairs. Textured wallpaper, comfortable sofas and plush chairs were added to the bar and salon, including a newly designed coffee and tea station. And staterooms are now outfitted with bright textured wallpaper, new bed furnishings and headboards, reupholstered desk chairs, plus en suite bathroom tile and shower upgrades.

Room Amenities: Individual climate control, safe, and en suite bathroom with hair dryer and sundries (biodegradable shampoo, conditioner, soap, and shower gel). Additional towels are provided for shore excursions.
