Itinerary

VIA Rail Canada operates on tracks owned by freight companies, like other passenger railways in North America. While VIA Rail strives for on-time departures and arrivals, increased freight traffic on the railway will often cause delays. These delays could result in delayed departure from Toronto, delayed arrival in to Vancouver, and shortened / limited time off of the train. The majority of your time on this tour will be spent aboard the train. Simply unplug and embrace the journey. Onboard services are guaranteed. Any changes to the schedule will be communicated and updated throughout the journey.

B = Breakfast, L = Lunch, D = Dinner, R = Reception

Day 1: Arrive in Toronto, Ontario, Canada

Saturday, June 26, 2027 (R)

Upon arrival to Toronto Pearson International Airport an Orbridge representative will be waiting to assist with your transfer to the hotel.

The Fairmont Royal York carries a rich history, having welcomed royalty, celebrities and dignitaries since its opening in 1929. This iconic property is ideally situated steps away from Toronto Union Station and minutes from Toronto's main attractions.

This evening relax and mingle with fellow travel companions during a special welcome reception.

Venture into the Prestige Park car to marvel at the rugged beauty of Eastern Ontario unfolding beyond the windows. Dense forests and pristine lakes provide for endless photography opportunities.

Settle into your luxurious Prestige Class accommodations—a category that redefines train travel through private cabins, panoramic windows and personalized service.

On board, fine dining is a priority. Delight in gourmet meals prepared with locally sourced ingredients served in an elegant dining car.

As you retire for the evening let the rhythmic sound of the rails welcome you to a comfortable night's sleep.

This morning wake to boundless prairie landscape as the journey continues through Manitoba. Spot for wildlife during breakfast and take advantage of informative discussions led by your Orbridge Travel Director and the on-board staff.

One of today's viewing highlights and photography opportunities is Hell's Gate, the most narrow (and very treacherous) part of the Fraser River. An impressive display of power, its narrow cliff walls create a funnel for hundreds of millions of liters of water rushing through every minute—double the volume of Niagara Falls.

Activity Level: 1

Easy

Tour days tend to be shorter in length, flow at a leisurely pace and include opportunities for time at leisure. Expect standing and little to no walking for short periods of time on flat surfaces, mostly low altitudes, and consistent temperatures. Depending on the itinerary details, guests will need to be prepared to board a plane, bus, boat, ferry or ship. There will be some walking to rooms, cabins or restaurants and general points of interest. Walking may also include occasional stairs or some steps during transfers and stops where elevators are not always available.

- Guests should be comfortable boarding and disembarking trains without assistance, walking and moving between cars while the train is in motion, and navigating steep, narrow stairs to the upper level of the observation car.
- All hallways are narrow and have handrails, but train travel can be unpredictable as some unexpected movement may occur.
- At brief train stop locations, the ground may be uneven and covered in loose gravel with no sidewalks.

Neither employees of Orbridge nor any suppliers of services can allow any of their employees to provide physical assistance to any guests.

Travel Advisories. The State Department and the Centers for Disease Control periodically issue statements and advisories about risks to travelers. These statements are country specific and contain important information. The State Department information can be found at www.travel.state.gov, and the CDC statements can be found at www.cdc.gov.
