# Dear National Trust Tours Traveler,

Delight in an eight-night private charter circumnavigation of Sicily aboard the iconic *Sea Cloud II*. Beginning and ending in Malta, the journey includes one night in Valletta, the capital of the island nation and one of the most concentrated historic areas in the world. Visit Sicily's treasures with stops in Trapani, Palermo, Giardini Naxos (for Taormina and Mount Etna), and Syracuse. Marvel at archaeological and architectural wonders, including the ancient city of Segesta, the riches of Palermo's Norman Palace, and the Greek amphitheater of Taormina.

The itinerary also features a full day in the Aeolian Islands, one of six UNESCO World Heritage sites visited, along with a specially timed sunset sailing through the Strait of Messina. Sample the rich flavors of Marsala with a guided tasting of this famed Sicilian wine, where guests experience the romance of classic sailing paired with the highest standards of modern comfort.

Like Marjorie Merriweather Post's legendary *Sea Cloud*, *Sea Cloud II* embodies the elegance and romance of a bygone era while offering the highest standards of modern comfort. This magnificent windjammer is operated by a highly skilled crew who hand-set more than 30,000 square feet of canvas, a rare and captivating sight at sea. Life aboard seamlessly blends classic sailing traditions with refined service, spacious accommodations, and thoughtful amenities, creating an experience that is both timeless and luxurious.

An optional two-night pre-trip extension is available, offering an unforgettable introduction to Malta and Gozo.

With kind regards,

Meg Annacone-Poretz
